## Color Chart

*Try a rainbow color with glitter or a sticker decal.*

### Rainbow

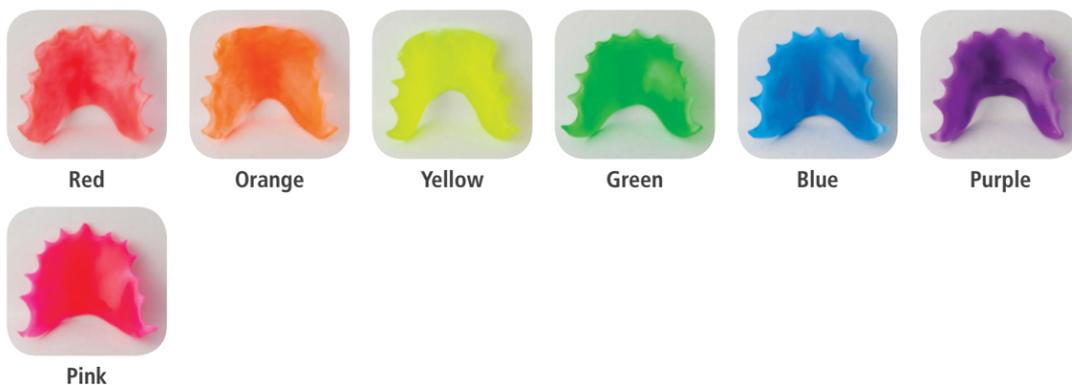

- Standard "color wheel" colors
- Transparent, like colored glass
- Cold cure

### Tropicals

*Send us a sticker/decal to put in your upper retainer.*

- Bright, vibrant colors
- Semi-transparent to opaque, depending on color chosen
- Cold cure

### Glitter

*Glitters look great with a rainbow color.*

- Even glitter distribution
- Show up best in any transparent or semi-transparent color option shown
- Cold cure

\*Delicate shimmer, looks great mixed with colors.

All retainers can be custom designed. Custom designs look best on upper palates.  
If you have a special design you would like us to try just ask, but please give us a second choice.
